

| Pos. | Artikelbeschreibung              | Description of item              | Artikel Nr./Item No. |
|------|----------------------------------|----------------------------------|----------------------|
| 1    | Wanne                            | Tray                             | 0109V102             |
| 2    | Gehäuse                          | Housing                          | 0116V267             |
| 3    | Schiene                          | Rail                             | 0117V004             |
| 5    | Klemme                           | Clamp                            | 0401V110             |
| 6    | Ventil komplett                  | Complete valve                   | 0401V081             |
| 12   | Deckel komplett                  | Complete lid                     | 0404V211             |
| 13   | Schweißdraht, 500 mm             | Welding rod, 500 mm              | 04470000             |
| 14   | Schneiddraht, 500 mm             | Cutting wire, 500 mm             | 04480000             |
| 15   | Schweißbalken komplett           | Complete sealing bar             | 004CCV082            |
| 16   | Deckel                           | Lid                              | 00501V048            |
| 17   | Einlegeplatte                    | Insert plate                     | 00506V023            |
| 19   | Dichtung 1,40 m, z. Deckel       | Seal 1,40 m, f. lid              | 05160000             |
| 20   | Klebeband 0,315 m                | Adhesive tape 0,315 m            | 05180000             |
| 21   | Teflonband                       | Teflon tape                      | 05190000             |
| 22   | Dichtung, Silikon                | Sealing, silicone                | 005290008            |
| 24   | Isolierband 320 mm               | Insulating tape 320 mm           | 05750000             |
| 25   | Pumpe m. Motor 10 m³/h BUSCH     | Pump with motor 10 m³/h BUSCH    | 007010042            |
|      | Filter z. Pumpe                  | Pump filter                      | 005040013            |
| 26   | Hauptschalter                    | Main switch                      | 01143606             |
| 27   | Schalter                         | Switch                           | 007040024            |
| 28   | Transformator 230V/24V           | Transformer 230V/24V             | 07060016             |
| 29   | Relais                           | Relay                            | 07070028             |
| 30   | Anschlusskabel 3 x 1,5 mmq 3m    | Power cord 3 x 1,5 mmq 3m        | 007CC0041            |
| 31   | Hauptplatine                     | Mainboard                        | 009030101            |
| 32   | Fuß                              | Base                             | 064700300            |
| 33   | Scharnier komplett               | Complete hinge                   | 010080052            |
| 34   | Gasdruckzylinder z. Deckel       | Gas pressure cylinder top cover  | 010080053            |
| 35   | Schelle 12mm 15-24               | Clamp 12mm 15-24                 | 010080019            |
| 37   | Bedienfeldfolie                  | Control panel sticker            | 01103V119            |
| 38   | Aufkleber, oben                  | Upper sticker                    | 01103V174            |
| 39   | Magnet                           | Magnet                           | 016020032            |
| 40   | Ventilkörper 3/2-NC              | Valve body 3/2-NC                | 016020034            |
| 41   | Ventilkörper 2/2-NEC             | Valve body 2/2-NEC               | 016020035            |
| 50   | T-Stück                          | T-piece                          | 016030118            |
| 51   | Muffe                            | Bush                             | 016030123            |
| 52   | Winkel                           | Angle                            | 016030125            |
| 53   | Vakuumzylinder für Schweißleiste | Vacuum cylinder for sealing jaws | 016040016            |
| 55   | Saugleitung                      | Suction line                     | 016190000            |
| 56   | Steuerleitung                    | Control line                     | 016200000            |

Vakuumierer 315/10N, 315mm  
Artikel-Nr.: 300315
